States, Threatened With Death By Mexicans.

Galveston, Texas, June 23.—All the dil camps in the Tuxpam region of Mexico have been shandoned, according to refugees who arrived here on heard the British tank ateamer San libeardo. There were 30 of the refusees, all American save one, who is kinglish. They were warned by the American consular agent some time ago to leave. They replied that they did not want to and were then practically ordered out by the agent.

The Kansas City Times management will correct the statement secontly published quoting mayor Tom sea saying that women and children were steependent in the practically ordered out by the agent.

The Carranga commander at Tuxpam as few days ago issued a statement to the effect that gates of war existed.

The Carranan commander at Tuxpam as few duys ago issued a statement to the effect that a state of war existed between the United States and Mexico. A report current at Tuxpam, the refuses wald, was that military authorities had declared they would kill every American they could find, if an American warship were sent to Tuxpam. Another report was that every American remaining to Mexico after July 1 would be killed. There were 18 americans left in Tuxpam who expected to leave for Port Arthur.

cinurch, was the first speaker. He said:

Find Marked Difference of Opinion.

We have during the last few days been calling upon some of our bending citizens alting them to be present and speak as this buseting. We find a very marked difference of opinion. Men who are whicking splendidly and men who have done noble work in the past for the city are almost of the opinion that if if were possible to take a vote on the desires of the cith, we should find ourselves survivat.

Two of our decided aims are: Frost, the restriction of immorality, and second the itselftion of a segregated district, and probably on both we are in a minerity. This below at the contrast of the city of the city
